Where science meet poetry...

After many years of research in the field of dermocosmetics, ARgENTUM created a patented fusion of two active ingredients: Silver Hydrosol & DNA HP. The result is a skincare collection from natural origins that delivers an unsurpassed sensory experience.

ARgENTUM is about finding the balance in everything ~ combining the powers of feminine intuition with masculine energy. At the very core of beauty is balance, and it's only once we achieve this within ourselves that beauty can truly radiate.

ARgENTUM was founded in 2010 when Joy Isaacs had a dream to create an elixir encapsulating the power of Silver. Her vision ~ to nourish our souls and senses with unique and powerful skincare.

Joy shared her vision with a friend who introduced her to Dr Gilbert Mouzin, a pioneering scientist in the field of dermocosmetics. Their focus ~ to create a luxury range of products from natural origins, delivering groundbreaking science to become a leader in modern skincare.

Today, this truly unique skincare brand is recognised as a Brand to Trust by Positive Luxury and has won multiple beauty industry awards while establishing a global presence in a mix of prestige online and retail stores.

A SPLENDIDLY BRITISH OLFACTIVE ADVENTURE

Penhaligon's is perhaps the world's most esteemed fragrance house, entertaining discerning noses – be they royalty or not.

A perfect fit for ladies and gents with exceptional taste; displaying good judgment and perfect decorum, but not afraid to veer off the tracks to show a little personality.

Halfeti

Iconic member of the Trade Route Collection with its bold, luxurious scents for adventurous noses: Halfeti boasts an intoxicating, mysterious fragrance. Vigorous grapefruit, Levantine spice and rose tangle in the moonlight... but what's that upon the riverbank? Could it be the fabled black rose?

Quercus

A cologne fragrance of some sophistication, named for the iconic English oak. Basil, bright &
fresh, accompanied by clean white floral notes create the most singular airy freshness; whereas a
woody, mossy depth brings one happily back to earth. It's familiar, but also terribly strange.

Blenheim Bouquet

is a masterpiece of tailoring and was first created for the Duke of Marlborough, and by jove it shows. Just like the most refined British humour, it is dry. Like the best gin, aromatic. An invigorating daytime cocktail of citrus oils, spices and woods – as versatile as a bowtie, able to transcend the infidelities of Time.
